

# MICHELLE SANDERS

## STRENGTHS

- Expertise in Core Java

5+ years of experience developing complex software solutions using Core Java, resulting in increased efficiency and performance.
- Agile Development

Proven ability to work effectively in an Agile development environment, delivering high-quality software on time and within budget.
- Problem-Solving

Consistent track record of solving complex technical problems, resulting in improved product quality and customer satisfaction.

## SKILLS

- Spring Framework ·
- GIT Version Control ·
- CI/CD Environment ·
- Agile Development ·
- Object-Oriented Design ·
- RESTful Web Services

## ACHIEVEMENTS

- Leading a High-Performance Team

Successfully led a team of 5 developers to deliver a critical project on time and within budget, resulting in increased revenue for the company.
- Developing a Complex Software Solution

Designed and developed a complex software solution using Core Java, resulting in improved efficiency and reduced maintenance costs for the client.

## Senior Java Developer - AI Products

@fakeemail@example.com    Remote

## SUMMARY

Senior Java Developer with excellent experience in Core Java and Spring framework. Passionate about automation, strive for excellence, and thrive in a technically challenging environment.

## EXPERIENCE

- Senior Java Developer

2019 - 2022

Oxford University Spin-out

Oxford

Design and develop software systems utilizing the latest Java technologies.

  - Developed scalable and high-performance Java applications resulting in improved efficiency.
  - Implemented Spring Framework resulting in reduced development time by 20%.
