PROFESSIONAL EXPERIENCE

Resume Worded, New York, NY Jun 2018 – Present

ETL Tester

- Designed and optimized 19 inline views and SQL queries 48 hours after joining the organization.
- Reworked testing methods to reduce overall product cycle duration by 73%, with zero detriments to product grade.
- Collaborated and spearheaded testing workflow among a team of 27 other fellow testers.
- Conceived and led a company-wide effort that streamlined 33 methods of reporting and documentation, increasing accuracy by 60%.
- Documented and inspected test cases and procedures in Unit Test reviews with 17 members of senior management.

Growthsi, New York, NY Jan 2015 – May 2018

Quality Assurance Analyst

- Introduced an automated regression test that improved the organization’s release cycle time by 49% YoY.
- Automated regression testing of software updates to decrease the time required for manual execution by 63% while improving accuracy.
- Pioneered using automated testing tools, including analyzers, generators, and emulators, to identify 1.4K defects in existing software products.
- Contributed innovative ideas that improved software quality by proposing process changes, which boosted throughput by 56% and reduced defect rates by 19%.

Resume Worded Exciting Company, San Diego, CA Jun 2010 – Dec 2014

Software Engineer

- Created a web application that enables 10K users to manage their online accounts for the company’s products, slashing customer support calls by 70%.
- Devised an automated testing framework using Python’s unittest module, which lowered manual QA time from 45 days to 90 minutes per release.
- Championed new features in a pilot product of RVEC that allowed 8.9K customers to purchase multiple licenses at once, which boosted monthly revenue by 94%.
- Reduced development costs by building database wrappers, authentication modules, and other reusable components, leading to annual savings of \$250K.
- Designed new features for 15 products based on market trends and the feedback of 3.1K customers within one month after joining RVEC.
