## SUMMARY

---

Around 3 years of experience in the field of Information Technology, with extensive experience in analysis, design, development, data conversion, Data Warehouse, Unit testing and documentation and Business Intelligence using Tableau, Qlikview, Informatica, SSIS, Teradata Oracle, Hadoop Hive and other BI Tools and Databases.

---

## TECHNICAL SKILLS

---

- Informatica Power Center, Informatica IDQ, Informatica MDM, SSIS, Informatica Cloud, Informatica B2B Data Exchange
- Tableau, QlikView, SSRS
- HL7, Jason, XSD, XML
- Teradata, Amazon Redshift, S3, Oracle, PL/SQL, MySQL, MSSQL Server, T-SQL, DB2, Hadoop Hive
- Java, C, C#, C, UNIX, Linux, Shell scripting Web Technologies CSS, HTML
- TCP/IP, UDP, HTTP, DNS, DHCP, FTP, SFT

---

## WORK EXPERIENCE

---

### **Informatica Developer, 05/2016 - 11/2016**

**Infosys Ltd – Saint Paul, MN**

Worked on extracting data from different sources including different RDMS databases, HL7 files and flat files, transformed the data applying data validations using Informatica IDQ and Informatica Power center, loaded data on to the database for building reports

### **Informatica developer, 2015 - 05/2016**

**Infosys Ltd – Ashburn**

Handled extensively the development of Informatica Mappings to support Data Extraction, Transform and loading.

- Specialized in Database Design, QlikView, Informatica, Data Integration Workbench Tool.
- Worked on integration of Informatica with Teradata Hadoop Hive, Amazon Redshift, S3, and Sales Force.
- Mastered in Oracle, SQL Server, MySQL, hive and the performance and query tuning of the Database
- Developed automated UNIX scripts to run the Jobs and to load data into the report layer.
- Designed and Developed the End user reports using the QlikView

### **ETL Developer, 2013 - 11/2013**

**Cgi Group Inc. – Hartford, India**

- Translated business requirements into data warehouse design.
- Designed and maintained logical and physical enterprise data warehouse schema using Erwin.
- Worked extensively on Informatica Power center including Installation, Upgrade, development and Migration
- Executed and monitored Informatica workflows to load data from various sources and performed data validations
- Worked extensively on teradata, oracle SQL server and unix shell Scripting

---

## EDUCATION

---

### **Master of Science: 2016**

**McNeese State University - Lake Charles, LA**

### **Bachelor of Science: 2013**

**JNTU - Hyderabad**

---

## CERTIFICATIONS

---

Cisco Certified Network Associate (CCNA)
