## MY LIFE PHILOSOPHY

Success is not the key to happiness. Happiness is the key to success. If you love what you do, you will be successful.

## SUMMARY

Passionate SAP ABAP Developer with over 6 years of experience in designing, developing, and implementing complex ABAP programs for SAP modules and functions. Skilled in ABAP Workbench, SAPUI5, Fiori development, and SAP workflow. Experienced in collaborating with cross-functional teams to define technical requirements and deliver customized workflows. Strong analytical and problem-solving abilities, ensuring smooth system integration and optimal performance. Bachelor of Science in Computer Science from the University of Technology. Proven leadership capabilities and a track record of successful project delivery. Fluent in English and German. Ready to contribute to a dynamic organization's mission and drive innovation through cutting-edge SAP solutions.

## STRENGTHS

⭐ **Leadership**

Demonstrated leadership skills by successfully leading a team of developers on a critical SAP enhancement project, resulting in on-time delivery and increased user satisfaction.

❤️ **Analytical Thinking**

Proven ability to analyze complex business requirements and translate them into efficient technical solutions, resulting in improved system performance and streamlined processes.

🚩 **Problem Solving**

Adept at identifying and troubleshooting technical issues, utilizing a systematic approach to resolve problems and minimize impact on business operations.
