About Me

I am a highly passionate individual who thrives upon seeking new challenges through my career as a Business Analyst. My initial years of working in the business industry push me to go further in discovering more things in it. Of course, I am motivated to join a group of seasoned and experienced Business Analyst professionals in the industry respectively.

Experiences

Business Analyst at Borcelle Woodcraft
2016 - 2018

- Improved operations defined from internal data, which reduces working hours year over year
- Interpreted, extrapolated, and tracked various data of customers to find out customer behaviors along with state-wide retention numbers
- Presented predictive modeling insights to C-level suite and stakeholders, participating in decisions surrounding policy packages that saved the company in legal costs
- Worked with 4 analysts to institute a new technique

Business Analyst at Ingoude Company
2013 - 2016

- Traveled 2 of 5 days to work with clients, observing business processes, interviewing staff, and documenting practices
- Initiated research, analyzed business operations, and problem solved operating inefficiencies, saved a combined 800 man-hours a month
- Worked with clients and stakeholders to draft and document goals, encouraging transparent communication to meet 7% of deadlines

Business Analyst at Fauget Insurance
2012 - 2013

- Increased revenue by $12M through analysis of data surrounding customer behaviors, vendor relationships, stakeholder goals, and workflows
- Discovered an additional $4M in savings after compiling data and identifying dead industry trends
- Prepared and researched presentations for C-level suite concerning internal operating inefficiencies, profitability reports, industry trends, and policies

Education

Shodwe University
2012

- Bachelor of Engineering
- Major in Computer Science, Minors in Mathematics
