MY LIFE PHILOSOPHY

Success is not the key to happiness. Happiness is the key to success. If you love what you do, you will be successful.

SUMMARY

Experienced SQL Developer with a passion for problem-solving and attention to detail. With a Bachelor of Science degree in Computer Science and a strong background in Microsoft SQL, ETL, and data migration, I have successfully delivered optimized data solutions resulting in improved efficiency and seamless transitions. I am excited about the opportunity to contribute my skills and collaborate with your team to drive data-driven insights and ensure data integrity. My proudest achievements include implementing an automated reporting system and leading a successful cross-functional data migration project. Let's leverage technology to fuel success together.

STRENGTHS

⭐ **Problem Solving**

I excel in analyzing complex issues and devising innovative solutions resulting in increased efficiency and productivity.

🏅 **Attention to Detail**

With a keen eye for detail, I ensure accuracy and precision in all my work, minimizing errors and improving data quality.

💙 **Collaboration**

I thrive in collaborative environments, fostering teamwork and effective communication to achieve shared goals.

EXPERIENCE

SQL Developer

ABC Financial Services

📅 2022 - Ongoing   📍 North

Developed and maintained SQL queries and stored procedures for data extraction and analysis, resulting in improved reporting capabilities.

- Optimized database performance by identifying and resolving performance bottlenecks, resulting in a 30% reduction in query execution time.
- Collaborated with cross-functional teams to design, develop, and deploy ETL processes, enabling efficient data integration.
- Implemented automated data quality checks, reducing data discrepancies by 20% and improving data accuracy.
