Joshua Nelson

Proficient React Developer | Front-end Specialist

@ help@enhancv.com · linkedin.com · Fort Worth, Texas

SUMMARY

Highly skilled React Developer with over seven years of professional experience. Proven ability to develop user interface components with React.js and troubleshoot complex issues. Have made significant contributions in creating high-quality code with excellent uptime and optimized performance. Excited about implementing robust and innovative solutions.

EXPERIENCE

Senior React Developer
2018 - Ongoing

IBM
Austin, Texas

Collaborated with a team in developing, testing, and ensuring the robustness of key user interface components.

- Developed reusable ReactJS components, improving code manageability and reusability by 60%
- Optimized the system's overall performance, reducing loading time by 30% across different web browsers.
- Spearheaded the translation of UI/UX design to actual code which resulted in an enhanced user interface.

React Developer
2016 - 2018

Microsoft
Dallas, Texas

Developed high quality interface components and ensured its robustness in collaboration with other team members.

- Managed project end-to-end, reducing project cycle time by 20%.
- Increased application performance by 45% by optimizing the web components.
- Implemented a variety of front-end tools to aid the team in streamlining project execution.

Front-end Developer
2014 - 2016

Oracle
Houston, Texas

Worked with React tools and focused on code quality and reusability for future projects.

- Created an innovative front-end library resulting in 35% faster product development cycles.
- Improved front-end coding standards resulting in 25% increase in team efficiency.
- Introduced and implemented browser-based debugging, improving troubleshooting efficiency by 40%.

EDUCATION

Master's degree in Computer Science
2012 - 2014

The University of Texas at Dallas
Dallas, Texas

Bachelor's in Information Technology
2008 - 2012

Texas A&M University
College Station, Texas

STRENGTHS

♥ Technical proficiency
Expertise in React.js, JavaScript, CSS, and HTML. I have proven experience in developing and optimizing user interface components.

♛ Problem-solving skill
Strong ability to debug code, troubleshoot issues, and implement robust solutions to coding problems.

♥ Team collaboration
Skilled at working collaboratively with a team in developing and ensuring the robustness of front-end components.

SKILLS

React.js · JavaScript · CSS · HTML · Redux ·

Flux · Webpack · Enzyme ·

Material UI Component Library ·

Performance Testing ·

Project Management · Troubleshooting ·

User Interface Design

CERTIFICATION

Advanced React.js
Developed advanced skills in React.js through a professional course provided by Udemy

Front-end Web Development
Learned advanced front-end languages and tools via a course provided by Coursera

PASSIONS

♡ Continued Learning
Passionate about enhancing my technical skills and learning new technologies in the constantly evolving field of web development.
